Your Freedom vs. Islam's Peace

President George W. Bush spoke well of Islam during his State of the Union Address. He and his advisors will continue with glowing warm words for Muslims until the adoring audiences in the heartland – the big red map of BushCountry – start to laugh. Sooner or later, Americans will mock the fawning apologists of Islam, because Americans will connect the dots and draw a straight line of responsibility between the Islamic terrorists and their interpretation of Islam. It may take more bloody attacks for most Americans to not be cowed by political correctness and to speak the truth in public. Islam is spiritual sustenance for millions who hate your freedom, your country and you.

Please don't misunderstand. I know how necessary it is to say nice things about the Muslims as long as a majority of Islamic states can be kept on the anti-terrorism reservation. Furthermore, I know how pleasing it is, personally, to reconcile sweet words with the wonderful people I have known who are immigrant Muslims in America. Yet, it is the hard truth that needs to be known and the truth that will set us free. The truth is that Islam's peace kills. Islam's peace is really the submission of individuals to an inseparable, insufferable mosque-state. Read the Koran and ask the people who live under the peace of Islam – especially the Christians – what pain that peace means.

*To those who have received the Scriptures (Jews and Christians) and to the Gentiles say:
“Will you surrender yourselves to Allah? If they become Muslims they shall be rightly
guided. If they pay no heed, then your only duty is to warn them.” Sura 3:20*

But, politicians and journalists say Islam is all about peace. Tell it to the black African Christians who are slaves in Moslem Sudan. It's too late to tell the 2 million dead that they were killed by kind Muslims.

Believers, take neither Jews nor the Christians for your friends. They are friends with one another. Whoever of you seeks their friendship shall become one of their number. Allah does not guide the wrongdoers. Sura 5:51

But, the elites say Islam is a tolerant religion. Tell it to the Christians killed in churches and persecuted in Pakistan by gentle Muslims.

We renounce you: enmity and hate shall reign between us until you believe in Allah only. Sura 60:4

But, liberal, sissy Christians say Islam is a wonderful way to understand God. Tell it to the Christians massacred in Indonesia by peace-loving Muslims.

Those who make war against Allah and His apostle and spread disorder in the land shall be slain or crucified or have their hands and feet cut off on alternate sides, or be banished from the land. They shall be held up to shame in this world and sternly punished in the hereafter: except those that repent before you reduce them. For you must know that Allah is forgiving and merciful. Sura 5:33-34

But, educrats say we should be a multi-cultural society. The Christian West is not superior to the Islamic civilization. Tell it to the Christians subject to the Muslim law – the Sharia – when they are stoned to death - as Christian women in Nigeria are - by justice-filled Muslims.

Men have authority over women because Allah has made the one superior to the other...as for those from whom you fear disobedience, admonish them and send them to beds apart and beat them. Sura 4:34

But, liberals say every religion has fundamentalists who will impose their beliefs on others. Tell it to the Christians who can not fix a bathroom in a church without Muslim approval in Turkey.

Strike terror into the hearts of the enemies of Allah and your enemies. Sura 8:60

But, America has defended Muslims with treasure and blood in Kuwait, Somalia, Bosnia, and Iraq's Kurds. Tell it to the Christians ethnically cleansed – dead or alive – from Kosovo, Azerbaijan, Bosnia, Philippines and Chechnya by their friendly Muslim neighbors.

Kill them (non-Muslims) and Allah will torment them by your hands, cover them with shame. Sura 9:14

But, you can't blame a majority for what the minority does. Tell it to the Coptic

Christians murdered in Egypt by tolerant Muslims.

Fight the People of the Book (Christians and Jews), who do not accept the religion of the truth (Islam), until they pay tribute by hand, being inferior. Sura 9:29

But, a few extremists have hijacked Islam. Tell it the Christian guest workers in Saudi Arabia who can't wear cross, carry a Bible or worship and are beaten by open-minded Muslim religious police.

In the United States of America if you say Islam is the religion of intolerance and Christian persecution for millions of people, you will be called an uneducated bigot or worse. Yet whose bigotry makes conversion, a personal decision of one's freedom of religion, from Islam to Christianity illegal and punishable by death in many Muslim countries?

Look at the world map. Suppose only 10% of the Muslims support Islamic terrorists, then only 140 million or so Muslims want your freedom of religion to be suppressed under their Islamic 'peace' of submission. Why don't the other 90% in Muslim countries rise up and end persecution, prejudice and intolerance against Christians in their own countries?

The terrorism of raging Islamists has roots in their Muslim religion. Don't sit mutely when someone says Islam means peace. Don't be passive when someone writes that the terrorists are not real Muslims. Don't be silent when someone fails to call the enemies of

our freedom by their full name – ‘Islamist’ terrorists. Don’t be quiet, unless, of course,
you are ready to submit to the peace of Islam.
