

Death to CHRISTmas!

The carnal CHRISTians (Romans Ch. 8), non-Christians, and anti-Christians fabricated “The Holiday” out of CHRISTmas. No problem. Really. They were very uncomfortable with the religious holiday. They love the sentimentality. They profit from the commercialism. So, they successfully divided December 25th into two separate days. Would they could just stop there.

But, no. The very PC persons, who shoved “The Holiday” – “Holiday” this and “Holiday” that - down the throats of every single American, want to kill CHRISTmas. These intolerant Puritan PC worshippers don’t want to see the word “CHRISTmas” or hear the word “CHRISTmas”. The Cult of PC (Political Correctness = Pagan Cult) demand all of America be culturally cleansed of CHRISTmas.

The news is full of stories of CHRISTmas diminished in schools, businesses, and the public square. Every year the news gets worse. How far will they go?

The Pagans (they hate that name, especially when many are really just neo-apostate, sissy Christians) will go as far as they can until CHRISTians push back. Presently, they intimidate the 86% of Americans who say they are CHRISTian into inaction with only a word or two. Speak any part of the PC mantra; “exclusionary”, “multicultural”, “insensitive”, or “divisive”, and watch the CHRISTians cower. Invoke the edict “separation of church and state” from one of the PC black-robed Priest-Kings – the Judges – and the CHRISTians themselves line up and dutifully help suppress CHRISTmas. Skillful bullying has such sweet rewards. But, bullies grow up to be tyrants. Tyrants do terrible things to humans. And the worst tyrants use the best words for their oppression.

Like the Romans who decreed CHRISTians the “enemies of humankind” for all the best reasons. The Roman Empire was the world’s sole superpower by every possible measure. Grassroots CHRISTianity was a threat to all the goodness of the Pax Romana. The CHRISTians were so unreasonable. Every Roman citizen was expected to include Roman Gods at the altar to their house gods in their home. The exclusionary, divisive, intolerant, and oh so un-multicultural CHRISTians refused. The CHRISTian bigots said their God demanded no graven images (including crosses), no household Gods, and, of course, no Roman Gods in their homes.

This kind of CHRISTian thinking created threatening attitudes. CHRISTians were against human killing in gladiator entertainment – a threat to the economy and public peace. CHRISTians said sex was for one man and one woman in marriage, not heterosexual and homosexual promiscuity. When CHRISTians celebrated CHRISTian holidays exclusively, then their loyalty was split, indeed, between Caesar and God. That tolerance was intolerable.

Roman Emperor Diocletian burned CHRISTians as human torches on the highways.

Diocletian wanted to eliminate CHRISTians for good. He thought he did the job. Many CHRISTians put Roman Gods on their house altar. These ever law-abiding CHRISTians proclaimed their first loyalty to Rome. Yet, only one generation later all of the Roman Empire was made home to Western Christianity. Now, in one generation of the American Empire the word, CHRISTmas, is almost expunged. There is a clear reason.

The simple fact is the cultural cleansing of CHRISTianity and CHRISTmas, then and now, is aimed at the hidden word in CHRISTian and CHRISTmas. It's a six letter epithet you hear cursed through all the media. Old Roman Pagans and new PC Pagans hate the word. Yet, the word means so much to Protestant, Catholic, and Orthodox evangelicals. The word is a beloved name. The name is The Word (see the Gospel of John). The Word is born, made alive and lives today.

What supreme irony how much CHRISTians are willing to sacrifice for that name outside America and how little CHRISTians are committed to do inside America. So many humans were murdered, raped, beaten, imprisoned, robbed, and enslaved under Muslim and Communist tyrannies this year – for the sake of that one name. Yet, Americans, who profess that belief in the very country created to be a safe place for Christians and Jews, do nothing to protect their holy day's name. Even though the official government name is still 'CHRISTmas', CHRISTians here quiver.

However, I got an email saying CHRISTians in Jackson, Ohio are defending the name, the word, the historical truth of the official holiday. Is this true? Is it happening anywhere else? If not where you live, why not? If not now, when? If not your name for His name, who will stand in the gap? Will CHRISTians sit silently in America until the crowds cheer 'Death to CHRISTmas'?

Guess what they will cheer next.
