

Homosexual Marriage Is Abortion To Marriage

Homosexual 'marriage' is to marriage as abortion is to birth. Homosexual 'marriage' will kill marriage. Likewise, it will help destroy the Judeo-Christian foundation of American Civilization. It will wreak pain and suffering on innocents. It's a sin against God.

Homosexual 'marriage', like abortion, is a moral wrong about to become a Constitutional Right. No legislature dares make it law. Only Court tyranny can impose this on the Nation. The many weaklings and collaborators among the legislators and executives won't stop the black-robed priest-kings. The best to expect from elected officials is voice and vote for the Family Marriage Amendment.

The FMA vote is in doubt in the U.S. Senate for the same reason anti-abortion judges can't get approved. There isn't enough political pressure. Too few Senators keep their job with the 'Christian' vote. Christians are conflicted on the issue, confused on the solution, and unconnected to a call to Christian duty – even if they heard one.

Christians compromise the same Biblical certainty as abortion when touched by human ambiguity about homosexuality. Christians see the human faces of our relatives, co-workers and neighbors who are genuinely hurting, and honor their sin instead of honoring God's Word. They're supposed to love the sinner only. Nice people are driven by sexual desires for sodomy. -Nice people feel desperate and demand abortions.

There's no tragic poster child for these sins. There are no videos of a partial birth abortion. The havoc of homosexual priests preying on young men is dismissed as pedophilia, not homosexuality. Still, millions of Americans suffer from abortion and homosexuality. The face of pain is hidden when the aborted babies go out with the medical waste and the rabid homosexuals hound and hush the ex-gays. The pretty people who take the most pride in their sin – the abortion and homosexual lobbyists, politicians, and media advocates – act like they're in a hometown parade in Sodom or Gomorrah. Indeed they are.

Satan, himself, could ride on the first float in a Women's Reproductive Rights/Gay and Lesbian Day parade and Christian clergy would march behind. The same apostate church that dismisses the Bible in the arrogant pride of their inclusiveness, diversity, welcoming, and progressiveness proclaims itself as the 'Christian' voice for abortion and homosexuality. These sissy Christians spread dissent and provide cover for anti-Christian laws and politicians.

Yet, the truth will out. Partial birth abortion is infanticide. Every abortion kills a baby. It's an attack on God's sanctity of life. Marriage is between a man and a woman only. Children need a mother and a father. It's an attack on God's sanctity of marriage.

The Liberal Pagans attack the authority of God at birth with abortion. They eliminate the authority of God throughout life by disregarding the moral law that says incest, homosexuality and bestiality are sinful behaviors. They finish with euthanasia to stop the authority of God's sanctity of life at its end. Thus, Liberals destroy the Judeo-Christian foundation of American Civilization.

When judicial Tyrants crush the Judeo-Christian moral-ethical framework, there is no barrier to anything. Muslims and Mormons must be allowed to have many wives. Consenting adults can commit incest. There won't be a moral justification for the age of consent. The Courts can't deny the true love of adults and children. There will be fewer marriages as in Scandinavia. When marriage can be anything, it means nothing.

Some Christians scoff at these predictions. Consider the past 40 years – divorce, drugs, alcoholism, pornography, rape, wife battering, child abuse, suicide, AIDS, fatherless homes. Did this social destruction come separately from some human sin? How much more degradation awaits when American Judeo-Christian values disappear because Christian voters did nothing?

Christians will find their rights perverted, pun intended, after homosexual marriage is the law of the land. Today, Christians can't pray on the sidewalk in front of an abortion clinic. The U.S. Supreme Court upheld the laws creating 'no free speech' zones. Likewise, the Court will back 'thought crime' laws that make it 'hate speech' to say the homosexuality is a sin. Republicans in the Senate just passed a law making homosexuals a protected class of persons. It's a fact in Canada and Europe. If you read from the Bible on homosexuality, it's a crime. When it comes here, it'll be worse.

What does it matter if the girl next door gets a partial-birth abortion? What does it mean to your marriage if the homosexuals next door 'marry'? The end of Judeo-Christian morality in America means everything!
