

Why They Hated the RNC Convention

The Liberals-Democrats-Media are upset, still, about Republicans not following the Democrat script for the Republican National Convention. How unfair. The Republican ‘moderates’ (we Conservatives call them ‘Our’ Liberals) didn’t attack the conservative planks in the platform against partial birth abortion and homosexual marriage or, as we see it – for the sanctity of life and marriage. Furthermore, no Conservative boogie man, except the man who is and will be President of the United States of America, spoke in prime time. The Republicans didn’t get, and clearly aren’t following, the memo on Speech Codes from the Liberals-Democrats-Media.

The basic PC speech code is based on Herbert Marcuse’s “Repressive Tolerance”. Liberals can say anything because they are PC tolerant. Conservatives can say nothing, unless they agree with the Liberals, because they are PC intolerant – by definition. When Liberals call names, it’s okay. When Conservatives name issues and cite records, it’s hate speech. Actually, anything Conservatives say is hate speech.

In this past week alone, major Democrat figures have likened Republicans to Nazis and the Christian Republican base to the Taliban. A local Tidewater Virginia columnist whining about the moderates at the convention said the Republicans had a mean streak. That’s the Liberals’ mildest venom. Yet, what happens if a conservative says homosexuality is hedonism? Or, tax increases are for ‘girly men’?

The disparity of media treatment is not the bias Conservatives complain about – forever and always. The PC Speech Code that exalts anything the Liberals say and criticizes everything the Conservatives say is part of the Liberal Puritan canon law. The discrimination in PC speech is theological, not political. Liberal Puritan Totalitarianism is an orthodox religion.

The ideas for this religion have the same roots and will bear many of the same fruits as Secular Humanist National Socialism and Secular Humanist Communism. The religion’s base is in Massachusetts for a reason. If you take the certainty, fury and arrogance of the witch-burning, Indian genocide, and heretic-banishing Puritan theocracy, separate it from the Judeo-Christian God, and substitute it with small ‘G’ gods - especially self, sodomy, and situational ethics, then you have the Liberal Puritan Totalitarianism orthodoxy.

Human Secularists hate having their beliefs being called ‘religion’. Since they reject God, Bible and Church, Humanists insist they are just free thinkers, progressives, enlightened ones, etc. Yet, the U.S. Supreme Court declared Human Secularism a religion. And, of course it is just a dressed up modern paganism. Human Secularism has apostate and sissy Christian allies who claim Christianity but worship the same small gods as their pagan buddies.

The fatwa the Liberal Puritans declare on free speech and individual thinking reveals their essence. They do not brook a syllable’s difference from their Politically Correct

catechism.

The Republican Convention diversity showcased the tolerance the Liberal Puritan orthodoxy can't tolerate. Republicans honor a diversity of ideas. Exercising mutual respect, Republicans take a vote on issues – and the majority rules on the platform planks. Yet, the strength of the ideas held in common – like Defense and Fiscal Conservatism – bind more than the disagreements on Social Conservatism divide. Thus, the RNC can show a moderate face, a conservative heart and a calculating mind at their own convention. That goes against Democrat religion.

Liberal Puritan Totalitarianism is the faith of the Liberal Puritan Pagans. And all the Liberals-Democrats-Media said, "How dare you!" And, then Liberals start cursing like they do in their hate mail. The Totalitarianism of Tolerance demands Liberal Puritans shut up all dissenters, just like in the old days of high hats, silver buckles and blunderbusses.

Dissent, even faith-based, true Christian thought, like saying, "Homosexual behavior is sinful", is hate speech to Liberal Puritans. The California legislature passed a law to make such speech illegal. The moderate Republican Convention speaker, Gov. Arnold Schwarzenegger, must sign or veto this law. A veto will separate the Human Secularist church from state. A signature makes the theology of the Left the law.

Yet, Conservatives-Republicans will not declare a jihad on Ah-nold if he makes a mistake. That's tolerance. The Conservative Christian Right will continue to fight the wrong, but support others for wherever we can agree on the right. Just like the Virginia Constitution says, we will have "Christian tolerance" of moderate Republicans and Liberal Puritans. The fact that Liberal Puritan Paganism can't co-exist with Jews and Christians is why we're in ACW II. Our lovingkindness and courage will defeat the Totalitarianism of Tolerance sooner or later. Let's work to make it right soon.
